DAFTAR GAMBAR ................................................................................... 10
DAFTAR TABEL ....................................................................................... 11
Daftar Lampiran .................................................................................... 12

BAB I PENDAHULUAN ............................................................................ 13
   A. Latar Belakang Masalah .................................................................. 13
   B. Pertanyaan Penelitian .................................................................. 17
   C. Tujuan Penelitian ......................................................................... 17
   D. Manfaat Penelitian ....................................................................... 18

BAB II KAJIAN PUSTAKA ...................................................................... 19
   A. Teori Pendukung ........................................................................... 19
   B. Penelitian Terdahulu ................................................................... 24

BAB III METODE PENELITIAN .............................................................. 27
   A. Waktu dan Tempat Penelitian ....................................................... 27
   B. Desain Penelitian .......................................................................... 27
   C. Populasi dan Sampel .................................................................... 27
   D. Pengembangan Instrumen ............................................................. 28
   A. Operasional Variabel Penelitian ................................................... 29

BAB IV HASIL DAN PEMBAHASAN ....................................................... 34
   A. Deskripsi Data Variabel Penelitian ............................................. 34
   B. Hasil Uji Asumsi Klasik .............................................................. 38
C. Hasil Analisis Regresi ................................................................. 39
D. Hasil Uji T parsial ................................................................. 40
E. Pembahasan ......................................................................... 41
BAB V PENUTUP ........................................................................ 43
   A. Kesimpulan ..................................................................... 43
   B. Implikasi .......................................................................... 43
   C. Keterbatasan Penelitian .................................................... 44
