DAFTAR TABEL ....................................................................................................... v
DAFTAR GAMBAR ................................................................................................... 1
BAB I .......................................................................................................................... 2
PENDAHULUAN ..................................................................................................... 1
   A. Latar Belakang Masalah ....................................................................................... 1
   B. Perumusan Masalah ........................................................................................... 9
   C. Tujuan Penelitian .............................................................................................. 10
   D. Kegunaan Penelitian ........................................................................................ 10
BAB II ......................................................................................................................... 12
KAJIAN TEORETIK ................................................................................................... 12
   A. Deskripsi Konseptual ....................................................................................... 12
      1. Kepuasan Pelanggan ...................................................................................... 12
      2. Kualitas Produk ............................................................................................. 16
      3. Kualitas Pelayanan ....................................................................................... 22
      4. Citra Merek ................................................................................................... 27
   B. Hasil Penelitian yang Relevan .......................................................................... 35
   C. Kerangka Teoretik ............................................................................................ 52
   D. Perumusan Hipotesis ....................................................................................... 56
BAB III ......................................................................................................................... 57
METODOLOGI PENELITIAN ................................................................................... 57
   A. Tempat dan Waktu Penelitian ......................................................................... 57
      1. Tempat Penelitian ........................................................................................ 57
2. Waktu Penelitian

B. Metode Penelitian
1. Metode
2. Konstelasi Hubungan Antar Variabel

C. Populasi dan Sampling

D. Teknik Pengumpulan Data
1. Kepuasan Pelanggan (Variabel Y)
2. Kualitas Produk (Variabel X₁)
3. Kualitas Pelayanan (Variabel X₂)
4. Citra Merek (Variabel X₃)

E. Teknik Analisis Data
1. Uji Persyaratan Analisis
2. Persamaan Regresi Sederhana
3. Uji Hipotesis
4. Analisis Korelasi Sederhana
5. Perhitungan Koefisien Determinasi

BAB IV

HASIL PENELITIAN DAN PEMBAHASAN

A. Deskripsi Data
1. Data Kepuasan Pelanggan
2. Data Kualitas Produk
3. Data Kualitas Pelayanan
4. Data Citra Merek

B. Pengujian Hipotesis
1. Pengujian Persyaratan Analisis
2. Persamaan Regresi Linier Sederhana
3. Pengujian Hipotesis Penelitian
4. Pengujian Analisis Korelasi Sederhana
5. Pengujian Koefisien Determinasi

C. Pembahasan

BAB V

KESIMPULAN, IMPLIKASI DAN SARAN

A. Kesimpulan
B. Implikasi .............................................................................................................. 110
C. Saran .................................................................................................................. 111
